Professional Summary

Computer Science and Engineering graduate with a strong foundation in Java, Python, and SQL. Currently undergoing internship training at TAP Academy and seeking opportunities as a Software Developer, Support Engineer, or IT Professional. Passionate about learning new technologies, problem-solving, and contributing to organizational growth through technical and teamwork skills.

Technical Skills

- **Programming Languages:** Java, Python
- **Database:** MySQL
- **Tools:** Microsoft Excel, GitHub
- **Soft Skills:** Communication, Teamwork, Adaptability, Problem Solving

Internship

TAP Academy Internship (In Progress)

- Learning software development concepts and programming fundamentals.
- Gaining hands-on experience in Java, Python, SQL, and database management.
- Working on practical coding exercises and technical assignments.
- Improving problem-solving and software development skills.

Projects

My First Web Development Project

- Built a web project using **HTML, CSS, and JavaScript**.
- Created an interactive **To-Do List** application.
- Implemented **Add, Edit, Complete, and Delete** task features.
- Used **JavaScript DOM manipulation** for dynamic page updates.
- Used **Git and GitHub** for version control and project management.
- Created and added a **README.md** file.
- Deployed the project using **GitHub Pages**.
- Tested all features and confirmed that the project works successfully.

Lung Cancer Detection System

- Developed an academic project for detecting lung cancer using medical data analysis techniques.
- Focused on identifying patterns and supporting early diagnosis.
- Applied programming and analytical concepts during project development.
- Improved understanding of healthcare-related technology solutions.

Education

B.E. Computer Science and Engineering

2022 – 2026

CGPA: 8.7

RRASE College of Engineering

Higher Secondary Education (12th Standard)

Year of Passing: 2022

Percentage: 75%

SSLC (10th Standard)

Year of Passing: 2020

Percentage: 70%

Certifications

- Certification Programs – In Progress
- TAP Academy Training Program – In Progress

Career Objective

To secure a challenging position as a Software Developer, Support Engineer, or IT Professional where I can apply my technical knowledge, continuously learn new technologies, and contribute to organizational success.
